

# DUNWOODY SPRINGS

Community Association, Inc

April 25, 2008

**TO: All Dunwoody Springs Residents**

**SUBJECT: POOL OPENING**

The pool officially opens for the season on Saturday, May 17, 2008. In order to insure everyone's safety and comfort, please observe the pool rules and regulations posted on the clubhouse wall. As a resident of Dunwoody Springs, you are responsible for insuring that your guests abide by our rules.

- 1) Your Medeco key allows access into the pool and identifies you as a member of DSCA. For the safety of everyone using the pool, do not open the gate for anyone who doesn't have a key. If you need a replacement key, please call Working Solutions at 770-424-7749. The cost for a replacement key is \$25.
- 2) The pool gate must be kept locked at all times. This is a security issue.
- 3) Normal pool hours are from 10:00AM until dark.
- 4) No diving is allowed in any area of the pool, at any depth.
- 5) No glass is allowed within the pool area. This includes bottles and drinking container.
- 6) No radios are allowed except those with private earphones.
- 7) No pets are allowed inside the fenced area.
- 8) Guests must be accompanied by a Dunwoody Springs resident.
- 9) Certain equipment, such as the rope that divides the shallow end from the deep end, and the hook and life preserver are mandatory requirements of the Health Department. Removing anything from its designated location could result in the pool being closed and is not permitted.

The Dunwoody Springs Community Association Board of Directors wishes everyone a safe and enjoyable pool season.
